93/64 Jo Dixon from C A H - VILLAGE APPRASIALS

Jo Dixon the Rural development officer from Community Action Hampshire gave a detailed report about village appraisals.

Although the Parish Council would be promoting the idea it wouldn't be run by the parish council although they would probably have a representative on the steering group that would be formed.

So a public meeting should be set up to find the public interest because without this there can be no village appraisal - After this if interest was shown a steering group would be formed of about 8 - 12 people to get things going.

A survey would be carried out to find out what the community wants !

Mrs Anderson agreed to put a note in the Parish magazine to get the idea going saying a public meeting will be held in the new year.

Mr Flack thanked Miss Dixon for a good report.

93/66 Kissing Gate

Mr Flack had a meeting with Col Briggs, the land agent Mr Ball and Miss Hibbert the footpath representative from EHDC.

Colonel Briggs is not prepared to have the kissing gate moved for security reasons, the only way to access the kissing gate would be to install steps and this would be too costly.

So there is no more that the Parish council can do to get it moved as it isn't a public right of way, and the army infact could close it at any time.

93/67 Millennium

Three replies have been received about forming a committee to celebrate the millennium.

It was decided to hold an informal meeting early in the new year.

Also Mrs Jenkinson said she would represent the Church, Mrs Anderson the 1st Greatham Rainbows and Mr Flack the Parish Council.

96/68 Crematorium

Mrs Anderson gave a detailed report to the Parish council about what she said to represent the Parish council at the appeal.

The decision should be known in about five weeks.

Mr Flack thanked Mrs Anderson for her attendance.
