Copy ltr from HCC re speed limit

Clerk to write to Tony Carr informing him that we will have to wait until traffic calming completed and all road signs in place before PC could look at village hall signing. However it was generally felt that village hall is an obvious building and may not need specific signs.

The brow of the hill has now been widened to improve safety

BC raised the problem of the build outs by the shop - a compromise has been reached between residents and the shop but there is concern that the build-outs are too wide. Speak to Geoff Topps/Steve Venton about this.
