PERMISSION REFUSED

Re. application for Jardinque apparently the Council are minded to keep the B1 use. Research has shown there is no need for a business in this area.

There was general concern for the possible increase in noise/traffic which any new business on these premises may cause. We have already had complaints about the existing business in the barn on that site. To write again to the planning department embellishing on our previous comments with regard to the conversion to houses and our agreement to it.

List of all planning in East Hants from 18.10.99-15.11.99.

99/07 Finance:-

Chq for £11.70 for posters.

Chq received from AONB for appraisal distribution and copying costs for £188.

99/08 Traffic Calming:-

Maps received showing position of new build-outs.

Wooden posts on one of the existing build-outs have been knocked down. To contact HCC and get them to look into this.

99/09 The Old Church:-

Trustees mtg was on 1.11. They are now looking at setting up a bank a/c and doing some fundraising. The primary concern is to re-do the roof. The tomb also needs work but this is a specialist contractor job. English Heritage would be interested in the care of it.

Officers elected are: Huggette Jenkinson - Chairman

David Self - Treasurer

Gail Anderson - Secretary

There is a working party on 6.11 for general clearing.

99/10 Village Appraisal:-

PG has put together some comments on the process itself and the outcome of the appraisal and these were distributed round the Council

The flagpole is in a desperate state. No reply has yet been received from the PCC. ADH stated that she felt that the new churchyard was not the best place for it.
