South Downs Update

ADH gave us an update on the proposal to make the South Downs a National Park. The area in question ranges from Brighton across to Winchester and up to Guildford. Various questions are raised - where the boundary will be? , the effect of more traffic? How will the tourism and recreation be handled? A meeting is being organised between HAPTC and East Hampshire AONB, for Tues 1st May, 18.30 to 21.45 at Petersfield Festival Hall. It was agreed that a letter expressing our interest should be sent and confirming that we would like to be considered along with the Hangers.

24. MINUTES OF THE MEETING HELD 14th March 2001

The minutes were agreed and signed.

25. OUTCOME OF THE ACTION FROM PREVIOUS MINUTES

CLERK to type up a proposed list of standing orders for approval based on the model we have.

EE to ask Trish if she will consider helping with the EHAPTC meetings.

CLERK to write a letter chasing up road trial sign removal, rather than another phone call.

26. CIRCULARS and CORRESPONDENCE

Nothing to discuss from the items circulated.

However as the system does not appear to be working, a new system will be tried.

EE and CLERK will look at all items, and only the relevant items will be circulated.

The other items will be listed and the list brought to each meeting. If a councillor wishes to see an item, they only have to ask. Please try to improve the circulation time to enable our views to be heard.

27. PLANNING

Nothing to discuss.

28. REPORTS

District Councillor - J Onslow

Nothing to report.

Signed *E Evans*
