Lorries are using Selborne Road ignoring the weight restriction.

Parish Councillors

- BB Had been approached by Mr Rudd, who is concerned with the bump in the road outside the school where the water main was repaired. CLERK to write a letter and copy to Mr Rudd.
Rubbish bin near the Queens pub seems to be broken as 'children' are dismantling it each day. JO to find out who's responsibility, and if necessary arrange to have it removed.
Longmoor Road - Mr Wright is currently under an enforcement notice re all the work around the lakes. A letter to be sent to the enforcement officer confirming our concerns about increase traffic as it would have to travel through village.

- EE Sad to have ADH resign, however, the fact that the question was asked was due to paperwork not being returned to the Clerk. All completed paperwork must be returned to the clerk to avoid any future misunderstandings.
