77. REPORTS

District Councillor - J Onslow

Parish Councils are being asked to list areas in their district liable to flooding. This information can then be used in the future should planning applications be made.

Old Church - Candlelit afternoon 4-6pm Sat 1st Dec tickets for adults £2.50

County Councillor - J West

Various items to be chased -

Keep left signs on Selborne road junction

Outside rectory fencing has been damaged

Digby way - Dragons teeth are still shipwrecked

Hump in road outside school following water pipe burst

30 mph repeater signs on Forest Road

He also now has our copies of the grass cutting maps so that he can chase this up.

Wall outside Old church still needs repairing - this was agreed with Diocese when road calming took place. H Jenkinson to supply clerk with details so that we can chase this up

Parish Councillors

BB Confirmed that GLAMA members are feeling very bogged down by the lease delay. The litter bin is now in situ by the basketball pitch. The recent quiz night made £350 and the next event is a skittles evening Jan 26th. The fenced in area at the back of the playing field will be opened up shortly. Current kitty over £12k.

PG GLAMA AGM 3rd Dec - doors open 7pm

DR Suggested that as Queens Golden Jubilee next year, would be nice to have a flag on the flag pole. All agreed on purchase. JW confirmed can be flown for 28 days a year before planning permission required.

Village hall - PG currently waiting to see if HCC will fund fitting of Loop system

Village hall needs supporting - JO suggested that a meeting needs to take place between the Parish Council and Village Hall committee to look at things long term. However priority should be getting a surveyor to see if the building is structurally sound before money spent internally. JO to organise.

Parish Clerk

Donations and precept to be finalised next month - awaiting replies from Village Hall WRVS and Old Church about further information requested. Hopefully two quotes for the church roof and one for the door will be available by Dec meeting.
