

## **TWIGS September Report - Creative Crafts**

Our September meeting was such fun. A fantastic array of craft materials were set out for us to indulge our creative skills. Even those of us who would normally have given any craft activity a 'wide berth' were totally absorbed!

After a very informative explanation of the techniques involved we had the difficult decision to make as to where to start first. We had three choices of activity - whilst some of us gave them all a go others had a very set idea of the item they wanted to make! Those making autumnal themed cards ended up starting quite a production line! We all had such fun that we didn't want the evening to end - there was always something else to try. Many thanks to Claire for, not only bringing the craft materials for the evening, but also for sharing with us her knowledge and enthusiasm.
