

Twigs June Report – Greatham Fun Day and Walk

Wet, wet, wet! The weather wasn't kind to the Greatham Fun Day this year but it didn't dampen our enthusiasm - we had as good a TWIGS turnout as ever. Helen's new gazebo was well 'christened' so we were able to shelter from the elements - along with many others. Our 'Pamper Hamper' and 'Name the Teddy' competitions were great successes - who could resist them!

We kept warm by sampling the excellent hamburgers sold by the Scouts, along with the delicious cakes from the stall next to ours and plenty of cups of tea!

We were blessed with a beautiful summer's evening for the TWIGS walk with a difference! For the uninitiated (as most of us were at the beginning of the evening). You have a map and directions to help you find 'caches', previously left by other people, and the GPS device bleeps when you are near one. It could be hidden up a tree, under a pile of leaves – just about anywhere. We didn't have light on our side (that's our excuse and we are sticking to it!) but Maureen upheld our honour and actually managed to find one of the four 'caches' we searched for!

It's amazing how getting stung by nettles and scratched by brambles can actually equate to having a thoroughly good time! Seven women and a dog retired to the Queen's Hotel for a well earned drink! Many thanks to Sue for organising such a fun evening.

Over our last couple of meetings TWIGS have collected £30.70 which is being donated to 'Hearing Dogs for Deaf People', after several of us met Teasel at the Fun Day.
