

Greatham Parish Council

Privacy Policy

Adopted 14th May 2018

Introduction

Greatham Parish Council is committed to protecting your privacy and security. This policy explains how and why we use your personal data, to ensure you remain informed and in control of your information.

From 14th May 2018, Greatham Parish Council will ask residents and all who we communicate with on a general basis to 'opt-in' for communications. This is due to a change to the rules which govern how we can communicate with you and a new regulation on personal data (the General Data Protection Regulation) coming into force on 25th May 2018. Therefore we are introducing a new approach that relies on you giving us consent about how we can contact you. This means you'll have the choice as to whether you want to receive these messages and be able to select how you want to receive them (email, phone or post).

You can decide not to receive communications or change how we contact you at any time. If you wish to do so please contact the Clerk at clerk@greatham-hants.org.uk or write to the Clerk at Greatham Parish Council, c/o 75 Headley Road, Liphook, Hampshire GU30 7PS or by phone on 01428 722324.

We will never sell your personal data, and will only ever share it with organisations we work with where necessary and if its privacy and security are guaranteed.

Sometime when exercising these powers or duties it is necessary to process personal data of residents or people using the council's services. We will always take into account your interests and rights. This Privacy Policy sets out your rights and the council's obligations to you in detail.

We may also process personal data if it is necessary for the performance of a contract with you, or to take steps to enter into a contract. An example of this would be processing your data in connection with the use of sports facilities, or the acceptance of an allotment garden tenancy.

Sometimes the use of your personal data requires your consent. We will first obtain your consent to that use.

The council will implement appropriate security measures to protect your personal data. This section of the Privacy Policy provides information about the third parties with whom the council will share your personal data. These third parties also have an obligation to put in place appropriate security measures and will be responsible to you directly for the manner in which they process and protect your personal data. For example, it is current best practice to keep financial records for a minimum period of 8 years to support HMRC audits or provide tax information. We may have legal obligations to retain some data in connection with our statutory obligations as a public authority. The council is permitted to retain data in order to defend or pursue claims. In some cases the law imposes a time limit for such claims (for example 3 years for personal injury claims or 6 years for contract claims). We will retain some personal data for this purpose as long as we believe it is necessary to be able to defend or pursue a claim.
