All documents relating to the planning application can be found on the “Documents” tab. If you have time you may wish to read through further details of the application to reference specific areas in your comments.

Comments are made more powerful when you can site your reasons for making them and link them back to local planning policies.

In particular the SDNPA emerging local plan detail of which can be found here:

<https://www.southdowns.gov.uk/planning/national-park-local-plan/>

Allocation policy SD73 in the full document deals specifically with the Petersfield road site

Remember that it is the current planning application that is open for comment at the moment, not the local plan itself.
